Marshall Goldsmith's endorsement of [Frank Wagner](#) & [Chris Coffey](#):

"My partner, Chris Coffey, helps individuals and teams achieve and sustain outstanding results. In addition, he is clearly one of the world's best keynote speakers and trainers in the area of coaching, leadership development, and teamwork. He provides a rare combination of being entertaining and dynamic while providing advice and stories from his extensive coaching experience that is both practical and applicable. He is a person that I trust to lead the training process for our behavioral coaches!"

"Frank Wagner is clearly one of the greatest leadership educators, coaches and teacher of coaches that I have ever met. As an educator, Dr. Wagner combines a deep knowledge of leadership development with a gift for teaching that few teachers can match. As a coach, he has an incredible track record of helping his clients achieve positive, measurable, long-term change in leadership behavior. As a teacher of coaches, Frank is the person that Marshall Goldsmith Partners has chosen to lead the practice. The graduates of his coaching training have gone on to produce results that rival his own success!"
